Guidelines for Managing Children away from the Home venue

The club has a duty of care to the children in its team/s when playing away from Totton & Eling Cricket Club home venue.

- Team Managers/coaches and volunteers accompanying the team will have been appointed in line with EB Guidelines
- Team Managers/coaches and volunteers will be fully conversant with the ECB "Safe Hands Policy"
- Team Managers will have access to details of any specific medical conditions that may affect any player in their team
- The ECB supervision guidance for cricket activities involving children will be followed
- The Totton & Eling Cricket Club transport policy will be adhered to.
- The team will act within the appropriate Totton & Eling Cricket Club Code of Conduct
- A 'Club' Home Contact, who has been suitably vetted, will act as a contact point in an emergency
- The Club Home Contact is provided with the full information i.e. Emergency contact names and phone numbers for each player together with details of any medical or physical needs these persons may have
- A first aid kit will be carried
