CLUBMARK

Clubmark is the universally acknowledged cross sport accreditation scheme for community sports Clubs and as such is promoted by the ECB.

It promotes the highest standards of welfare, equity, coaching and management in community sports clubs.

It facilitates making sure the nation's sports club infrastructure is safer, stronger and more successful.

It ensures clubs provide the right environment to encourage all its members to enjoy sport and stay involved throughout their lives.

An accredited Club is recognised as a safe, rewarding and fulfilling place for participants of all ages as well as helping parents and carers know that they're choosing the right Club for their young people.

Totton & Eling were an early adopter being one of the first local clubs to achieve Clubmark Accreditation in 2006.

Reaccreditation, required every three years, was achieved in 2009 again in 2012, 2015 and 2019. Annual health checks were conducted in each of the intervening years
